

CECS 551
Assignment 11
Total: 35 Points

General Instruction

- Submit uncompressed file(s) in the Dropbox folder via BeachBoard (Not email).
-

1. (35 points) Review the class mates' research presentations.
 - (a) This assignment is an optional and extra credit one.
 - (b) We won't take any late submission.
 - (c) You can find the 'assign.txt'. The file includes lines with the following format.
Reviewer's Name - {'Presenter's Name 1', 'Presenter's Name 2', ...}
 - (d) You can find your name on the **Reviewer's name** section, and you also find the list of **Presenters' names** which you will review their presentations.
 - (e) You can find the presentation videos, slides, and the original papers at '**Discussion**' board on BeachBoard.
 - (f) Please pick 3 best presentations, write down the **their full names** as appeared in the 'assign.txt' line by line in a plain text format, and submit the text file. For example,
Ju Cheol Moon
Daniel Tha
John Doe
(Please don't write down their names in the comment section.)
 - (g) Top 30 presentations will receive **additional 15 points**.
 - Your name is appeared 10 times in the list of presenter's name in total.
 - Assuming some of the reviewers would not turn in this assignment, the number of selections by the reviewers divided by the number of the submissions will be the metric of selecting the top presentations.
 - Please do not select presentations if 1) the original paper is not from the designated conferences (NeurIPS, ICML, CVPR), 2) the original paper is not selected from the most recent year, or 3) you can't understand it.
 - Your voting will be ignored and the extra credit won't be given if you select 1) someone not in your list, 2) less or more than three, or 3) after the due date.
